

Hemnet announces the finalists for Guldhemmet 2023

On March 7 the fifth edition of Hemnet's property gala Guldhemmet will take place. The jury has reviewed and evaluated all the nominations submitted and selected a total of 21 finalists. The winners will be announced at the Guldhemmet gala, which recognises the Swedish housing industry's premier profiles and strongest efforts.

Guldhemmet is an initiative from Hemnet, which gathers and highlights the best achievements of the housing industry from the past year, now for the fifth consecutive year. The gala will take place on March 7 in Vinterträdgården at Grand Hôtel in Stockholm and be hosted by one of Sweden's most prominent artist and TV host.

"It is exciting that Guldhemmet has become Sweden's largest housing gala, which really means something to those who are nominated and to all finalists and winners. After a challenging year, it feels more important than ever to celebrate the industry, which I am looking forward to doing on March 7", says **Cecilia Beck-Friis**, CEO of Hemnet.

During the evening, ten awards will be presented to real estate agents and property developers. Six of these are based on nominations, with winners and finalists selected by the Guldhemmet jury, and three awards are based on Hemnet's sales statistics ("Andelsstatistiken"). One award (Top Agent of the Year) is a "hybrid award" where the finalists and winners are based on a combination of statistics and a qualitative nomination.
