

Winners of Guldhemmet 2023 announced

On Thursday, March 7th, Hemnet hosted the fifth edition of Guldhemmet - Sweden's largest housing gala where the industry's foremost professionals and strongest contributions are recognized. The gala took place in Vinterträdgården at Grand Hôtel, attended by 350 guests. A total of ten awards were presented to real estate agents and property developers, based on both nominations and sales statistics.

- Yesterday's Guldhemmet gala was something extraordinary, and I would like to thank everyone who contributed to making the evening exceptional. It's inspiring to hear about all the stories of remarkable achievements from a year that has been challenging in many ways. It's gratifying to see how much this award means to the winners and that the gala has become somewhat of an institution in the industry, says **Cecilia Beck-Friis**, CEO of Hemnet.
